POSITION DESCRIPTION

Position Title **Vetting Analyst**

Directorate: Protective Security

Location: Wellington

Salary range: E \$48,934 - \$73,400

Purpose of position: The Vetting Analyst exists to:

- Engage in the security vetting process and conducts background investigations into nominated government employees and contractors. The scope and detail of enquiries vary according to the level of national security clearance sought;
- All information gathered is assessed against the Protective Security Requirements (PSR) and Adjudicative Guidelines (AG) resulting in the recommendation on the suitability of candidates to hold national security clearances at Confidential, Secret, Top Secret and Top Secret Special level

Our mission at the NZSIS is to keep New Zealand and New Zealanders safe and secure

Our values are Collaborative, Courageous, Positive, Driven and Self-aware

Protective Security purpose: The Protective Security (PS) Directorate delivers a full range of protective security functions to the New Zealand Intelligence Community (NZIC) and for New Zealand. Our focus is also on leveraging the strong foundations that we have established to enhance our recognition as a NZIC protective security exemplar and to assist key New Zealand institutions to mitigate their insider threat risks through effective security clearance management, vetting services and counter intelligence functions.

The PS Directorate also leads the implementation of the Protective Security Requirements (PSR) programme, which aims to substantially improve the security culture of the public service and, potentially, the private sector.

Key accountabilities	Deliverables/Outcomes
Assessments and outcomes	<ul style="list-style-type: none"> • Candidate information provided is assessed and any areas of sensitivity or vulnerability identified • Gaps or conflicting information is identified and further information is elicited from the candidate or third parties • Further background enquiries are undertaken if deemed necessary, and an assessment is made to determine if a referral for interview as appropriate • Assessments and recommendations are made in accordance with the PSR and Adjudicator Guidelines • High quality judgement is consistently demonstrated • National security clearance recommendations can be relied upon by government departments • Security clearance applications are processed effectively and in a timely manner to ensure targets are met
