POSITION DESCRIPTION

IT Solutions Architect

Unit/Branch, Directorate:	ICT Capability
Location:	Wellington
Direct reports:	Nil
Salary range:	J \$105,663 - \$158,495

Purpose of position: The IT Solutions Architect is responsible for providing architectural direction and project support for new IT applications, systems, infrastructure and networks used in GCSB/NZSIS.

Our mission at the GCSB is to protect and enhance New Zealand's security and wellbeing.

Our mission at the NZSIS is to keep New Zealand and New Zealanders safe and secure

Our values are Respect, Commitment, Integrity and Courage

Our values at the NZSIS are Collaborative, Courageous, Positive, Driven and Self-aware

ICT Capability Directorate purpose: The ICT Capability Directorate partners with operational Directorates in GCSB, NZSIS and the wider sector to deliver and operate technology solutions. It provides vision, leadership, and governance of the overall ICT strategy, ensuring alignment with the GCSB and NZSIS strategies and investment plans.
